

Class Social Distancing Guidelines

- If you or anyone from your household becomes unwell with Covid-19 symptoms which are a new continuous cough a high temperature or a loss of, or change to, your sense of smell or taste please do not attend class and let us know, our contact details are at the bottom of these guidelines.
- Only one person may attend with each dog and this must be the same person for each training session.
- By attending our training classes you hereby give permission for your contact details, which have been provided to us, to the NHS test and trace programme if required and this will be applicable up to 21 days following the end of the final training session.
- In accordance with current Government Guidelines face coverings will be required whilst in the hall unless you are exempt from wearing them, please provide your own face covering.
- On arrival to the car park please ensure you park apart from other cars and maintain social distance from people not from your household.
- Hand sanitiser will be available on entry to the hall we request that you do use it each time you enter.
- Throughout the class please remain a 2 metre distance from anyone not in your household, it is very easy to forget this when you are concentrating on training your dog but we will remind you if necessary.
- There are toilets at the hall but we do request if at all possible that you refrain from using them if they are open
- At no point before, during or after class should your dog come into close contact with another dog outside of your household. Please also refrain from touching dogs that do not reside in your household. Dogs are not known to become infected with Covid-19 but they can act like any other surface and carry it on their equipment such as collar and lead.
- If the R-rate increases and there is a local/national lockdown classes will immediately cease and further training discussed with you, we also request that if the area you live in locks down that you don't travel to class.
- If you are hard of hearing please make sure, if you normally wear a hearing aid, you do bring it with you, if you miss what we are saying if we maintaining social distance or are wearing a mask please ask us to repeat what we have said
- We may need to use your dog to demonstrate an exercise, if we do we will use hand sanitiser prior to taking your dog, if you would prefer us not to handle your dog please let us know.
- Equipment you need to bring with you:
 - Dog lead – not a flexi/extending lead
 - Well fitting collar on your dog – please NO check/choke chains/slip leads
 - ID tag on your dog's collar (please note: legal requirement is owners name and full address, any other information you have on there is optional)
 - Poo bags
 - Variety of treats/tit bits for your dog
 - Couple of your dog's favourite toys

- Any other equipment you use such as a gentle leader/halti headcollar etc.
- Harness if you have one for us to attach long line if needed
- Mat for your dog to settle on when in the hall

You should also bring:

- Hand sanitiser and/or hand wipes
- Drink for yourselves and your dog as we cannot provide these
- **A chair for you to sit on if you so wish, chairs in the hall MUST not be used**
- Face covering
